

Dear Rudy,

Thank you for a fantastic and fun Holiday Party! We had a great time rocking out and dancing up a storm to the upbeat and cheerful holiday music you played. We are still so impressed that you were able to get people up and on their feet before dinner was even served! Thank you again for your great service, music and your positive and professional attitude. Wishing you and your family a happy holiday!

All the best,

**Lauren Jung, Andu Panezo, Josh Morden & James Barden
